1	No senior events held at night for those of us who still work during the day.	2/1/2020 7:12 PM
2	Lovely small town atmosphere with amenities and activities. Moved here to an over-55 community after 35 years in Marlborough. Very satisfied.	2/1/2020 5:53 PM
3	I would like to see more retail and restaurants (not pizza, Chinese or Dunkin').	2/1/2020 9:59 AM
4	Lack of central community center prevents the town from really coming together with senior activities, social programs, fitness classes, health promotion events, and educational opportunities/workshops. One location for all is badly needed.	2/1/2020 9:51 AM
5	wish we had better transportation options	1/31/2020 10:45 PM
6	very happy living in Colchester. Well run town. Would like to see improvements to certain areas of town which appear run-down and neglected.	1/31/2020 8:26 PM
7	I do wish that the sidewalks between Norwich Ave and Pleasant Street were in better condition. There are a lot of children who use those sidewalks to walk from the Middle School down to the Youth Center as well as people who like to walk or run.	1/31/2020 5:54 PM
8	Could be better with more stores to compete and some clothing stores. So we dont have to use up gas every time we need apiece of clothing. And if tolls are added.. . Much worse for all.	1/31/2020 5:09 PM
9	Would be nice to have a few more entertainment, restaurant, shopping options	1/30/2020 5:00 PM
10	We need more recreational activities for senior and teenagers.	1/29/2020 10:32 PM
11	Highschool needs some help and we could use a little restaurant variety	1/29/2020 10:47 AM
12	I appreciate being in a town that balances small town agriculture community while being a regional hub with retail and businesses. However, I feel it could strengthen a little more as a regional hub	1/29/2020 6:46 AM
13	There is no public transportation. I use the Senior Center bus but there is no weekend service. It would be nice to go to church etc.	1/28/2020 8:58 PM
14	Poor recreational choices - no pool Senior center is inadequate programming is limited and age ist	1/28/2020 8:51 PM
15	Love we are going to build a new Sr. Center.	1/28/2020 6:42 PM
16	We need a WALMART In town	1/28/2020 5:08 PM
17	I would like to see more services for senior citizens.	1/28/2020 4:26 PM
18	I enjoy living in Colchester.	1/28/2020 3:58 PM
19	Sidewalks on Rt 85 would mean a lot to all the seniors you invited to buy property on that road in Colchester. We pay a lot of property tax with no kids in school.	1/28/2020 3:41 PM
20	lack of public transportation	1/28/2020 3:36 PM
21	just not a lot available for the taxes we pay.	1/28/2020 3:21 PM
22	Extremely high taxes for seniors on fixed incomes.	1/28/2020 2:27 PM
23	Taxes toooo high!!!!	1/28/2020 2:19 PM
24	Blight issues throughout town. Could use some something like a Costco and large shopping complex near highway away from center of town.	1/28/2020 2:14 PM

25	I feel that Colchester offers a lot for young people through the volunteerism of parents. Grounds, fields are taken care of and buildings maintained	1/28/2020 2:13 PM
26	We moved to Colchester 35 years ago because it was a convenient location. We still live here because it was a great place to raise our kids and it still meets our needs for a community with small town amenities and good accessibility to cities with additional amenities.	1/28/2020 2:10 PM
27	Wish we had more indoor activities, especially open during the day for kids	1/28/2020 1:13 PM
28	From what I see the trajectory of colchester is flat to down. The town has not changed for the better since the 90s. The town always wants more money for schools when enrollment is declining. This does not add up. Also the addition of the dollar store is not good. The restaurants have improved (good).	1/26/2020 3:49 PM
29	No conveniences are available in this town. Must go out of town to shop and better restaurants. Spending money in Glastonbury, not in Colchester.	1/26/2020 2:54 PM
30	Need shopping, better restaurant selection, better plowing. Less residential development and small strip malls that are empty.	1/25/2020 7:56 PM
31	Awfully high taxes for senior citizens on Social Security.	1/25/2020 3:51 PM
32	would like different shopping and restaurant options.	1/25/2020 1:23 PM
33	If I have any complaint, it is that the town is too crowded. It really isn't, but I'm cranky and self-centered.	1/25/2020 11:48 AM
34	Taxes are too high.	1/25/2020 8:45 AM
35	Taxes to high	1/24/2020 8:15 PM
36	All in all it's a good place to live because there are some really good people. Yet, there is a constant attack on our schools every budget season. People are just unnecessarily mean on social media. Never any new business brought in no matter who is selectman. Taxes go up because it falls on the homeowners.	1/22/2020 6:54 PM
37	Tax burden on our citizens are disproportionate to services received.	1/22/2020 9:01 AM
38	Too expensive. Poor spending. Thank God we have a new selectman.	1/22/2020 8:49 AM
39	too many democrats	1/22/2020 8:16 AM
40	If taxes keep on being raised, I will have to move.	1/21/2020 4:19 AM
41	Colchester needs to reduce spending on things we do not need	1/20/2020 7:47 AM
42	I do not expect to be able to retire here as the cost of living is way to high for me to afford. It's sad because I love it here.	1/19/2020 11:24 PM
43	Very much lacking physical fitness. No gym in town. Rarely see anyone walking/running on the streets. But no crowds anywhere so easy lifestyle that way.	1/19/2020 6:52 PM
44	A better traffic pattern AROUND the common during events would be helpful.	1/19/2020 12:51 PM
45	Money is never spent on the greater good or the future of Colchester.	1/19/2020 11:27 AM
46	Property taxes are to high. How about some cuts.	1/18/2020 5:55 PM
47	We need more police services	1/18/2020 12:03 PM
48	Lots of free community activities like concerts and car shows.	1/18/2020 11:05 AM
49	I would have rated it excellent, but the lack of a more coverage-effective (improved SE CT coverage) and cost-effective public transportation system detracts from the quality of life in our town.	1/18/2020 10:39 AM

52	The socio-economic status seems to be on the downward. It feels like the town is attracting more low income families.	1/18/2020 10:05 AM
53	This is very open ended. Comments can't provide value	1/17/2020 10:19 PM
54	Miss the concerts on the green. Love the farmer's market and other tag sales	1/17/2020 6:39 PM

1	Very few recreational activities other than sports.	2/2/2020 1:26 PM
2	My children were grown when I moved here	2/2/2020 1:13 PM
3	The town things for children ages 10-16 work related work programs designed at building skills not preparing them for college. Farm work fire department work. Community policing etc	2/2/2020 7:09 AM
4	No children in the school system.	2/1/2020 7:12 PM
5	We had to send our children to private schools as the town schools did not provide the academic excellence we wanted.	2/1/2020 3:48 PM
6	It was much better when we moved to town in early 80's	2/1/2020 10:36 AM
7	When my kids went through the system in the early 2000. Teachers are pulled from their classrooms Way too much. I also see teachers leaving because of money. are teachers are not paid enough and the superintendent is over paid.	2/1/2020 10:23 AM
8	It's a good family community with a lot of choices for activities to be involved in.	2/1/2020 9:59 AM
9	My child had a very difficult time in both the middle and high school. I was frustrated and angry most days that he was in school because of actions of the educators and administration regarding my child and the IEP that was in place rarely being followed	2/1/2020 9:54 AM
10	See above. I like the small town feel but we need more businesses to support the tax base. I moved here from another town (Out of state) of similar size, and there's just no comparison to opportunities for children.	2/1/2020 9:51 AM
11	teen center, sports complex, new schools, safe. Transportation would be nice.	1/31/2020 10:45 PM
12	no grandkids in Colchester, but we do have some living in other areas of Ct.	1/31/2020 8:26 PM
13	I do hope that the playground at the RecPlex will get worked on soon. The metal pieces are rusting and some of the pieces are broken. The fields at the RecPlex also need to be addressed for safety concerns - holes in fields, bent fences, and drainage issues.	1/31/2020 5:54 PM
14	So far safe Not much entertainment for kids	1/31/2020 5:09 PM
15	OUR CHILDREN ARE IN THEIR LATE THIRTIES. WE HAVE NO EXPERIENCE WITH THE COLCHESTER SCHOOL SYSTEM.	1/29/2020 8:48 PM
16	We haven't lived here long enough to fairly assess this question and we are retired. However, previously involved in teaching. I know Colchester has a very good school system. My sister-in-law's niece who is a Nurse Practitioner, chose this town to raise her children and loves it.	1/29/2020 7:59 PM

31	Wish there were more places to go in the winter in town.	1/28/2020 1:24 PM
32	C3 is amazing and the classes they provided have been instrumental to being a parent. The sports programs are amazing too, but could use more funding for fields and supplies to keep us competitive.	1/28/2020 1:13 PM
33	Don't have children	1/27/2020 8:55 AM
34	There are nice families here for sure but I would pick another town if I were starting g again. A coworker w a young family moved out fast to E Lyme recently because he did not want his kids to attend the schools	1/26/2020 3:49 PM
35	Drugs still remain a big problem in Colchester and crime is on the rise.	1/26/2020 2:54 PM
36	Schools are good but are leaning progressive more and more; rec activities are good; missing something for tweens and teens that aren't inclined towards athletics.	1/26/2020 1:54 PM
37	The town has gotten better about having more activities and programming for younger children since we moved here.	1/25/2020 10:21 PM
38	We do not have kids, never have, so why do we have to pay such high taxes?	1/25/2020 3:51 PM
39	Both of our kids did very well in town recreation activities and in the school system. They grew up with friends and support. Both have left CT and will not likely return... nothing to do with Colchester, just better opportunities elsewhere.	1/25/2020 11:48 AM
40	It was a good place to raise our children but many thing have changed since our kids were in the schools. Our children have no desire to move back here or to the state of C.T.	1/22/2020 6:54 PM
41	No experience with this	1/22/2020 2:39 PM
42	Biggest concern is the socialist agenda fostered on our school children.	1/22/2020 9:01 AM
43	No kids raised here. Need n/a answers	1/19/2020 12:51 PM

50	Pleased with school systems at the elementary level. Sports programs are important to our family, there are several programs offered, but concerned about the condition of the fields/maintenance at the Rec Plex.	1/18/2020 10:05 AM
51	I would have loved to live in colchester while raising my kids. It's a wonderful community.	1/18/2020 9:46 AM
52	This town was appealing because of the amount of activities available by the local rec leagues and the parks and rec department.	1/18/2020 9:43 AM
53	Kids are the main focus of everything in town. Which attracts families who raise their kid, leach off the other residents, and then leave.	1/17/2020 11:51 PM
54	High school lacking. Commercial resources for kids limited.	1/17/2020 10:19 PM
55	Moved here last year. Seems like there are good amount of activities for kids.	1/17/2020 9:36 PM

26	I just retired and have been participating in activities at the senior center. This building is very old and small and it's very disappointing that Colchester doesn't have something nicer for the seniors. I used to live in Waterford and they had a very nice community center that included the senior center.	1/29/2020 8:40 AM
27	My in-laws are considering moving here as they downsize. Retail and services are strong enough to provide them with their needs and the new developments are offering them some good options.	1/29/2020 6:46 AM
28	Though I am not qualified to answer this as I am not retired yet.	1/29/2020 4:46 AM
29	I'm not sure yet!	1/28/2020 11:30 PM
30	I say this because I have lived here all my life and am familiar with the town. I do think there is a need for more evening opportunities for Seniors - more activities at the Senior Center as well as transportation available. I think this is especially true in the summer months when the daytime light is longer.	1/28/2020 8:58 PM
31	Taxes too high. No access to big box store. No steak restaurants. Hard to get on Senior Trips on town buses. Same people always get there first.	1/28/2020 7:40 PM
32	Public transportation a problem	1/28/2020 7:37 PM

38	Except property taxes are way too high and the schools are overfunded.	1/28/2020 3:20 PM
39	The taxes are very high. They don't give any breaks for seniors who are on a reduced income.	1/28/2020 3:14 PM
40	Too expensive.	1/28/2020 2:37 PM
41	Too far from everything but good sr ctr	1/28/2020 2:30 PM
42	Although it continues to a struggle with increased taxes and fees. I have to make serious financial choices being on a fixed income. While I have a PC, I don't have a tablet, Iphone, or cable (have rabbit ear antennae). My home is over 20 years old and is beginning to require larger, more costly repairs as well as tree work which all need to be planned and budgeted for which may put off needed works for months as save/reallocate money for expenditures. I have not taken a vacation out of state for over 8 years which I thought I would do regularly in my retirement. I have not been able to enjoy leisure activities on a regular basis (golf league, etc) due to large expense of membership and league fees. Further serious consideration of fees/taxes for seniors in comparison to the school budget is critical if want to retain seniors in the Colchester community which I have read is the fastest growing population in Colchester and is expected to be the largest in the next few years.	1/28/2020 2:28 PM
43	Again, taxes way too high	1/28/2020 2:27 PM
44	Not applicable	1/28/2020 2:19 PM
45	Taxes too high	1/28/2020 2:19 PM

48	Still live in our own home and can drive to get to appointments, etc. At some point, we'll be looking for a community that provides "complete care". That doesn't exist in Colchester, and that is more of a regional need, not a local one. I'm not sure where the closest such community is. Colchester COULD provide that if it made sense.	1/28/2020 2:10 PM
49	No idea	1/28/2020 1:24 PM
50	Taxes are too high to stay here forever	1/28/2020 1:13 PM
51	Although I'm not of retirement age, I feel the liveliness and activities available in the town make it attractive for retired people. The upcoming senior center is something needed and positive. I do feel more local transportation would be a benefit, and keeping taxes stable.	1/28/2020 12:27 PM
52	taxes high for retirees, not much in return for taxes paid. my driveway is in better shape than my street. has not been repaved in the 23 years I have lived here.	1/26/2020 8:04 PM

59	Taxes for retired population is a little high. We moved to Colchester to retire. Taxes consume a significant percent of our income.	1/25/2020 2:03 PM

62	Services & attractions/activities are minimal or not easy to get to.	1/25/2020 9:25 AM
63	Much more emphasis must be diverted towards seniors. While raising children, our focus is narrowed towards ourselves but with age comes a wiser and diverse knowledge. The senior population is growing, has no educational costs and add a strong diverse base for local government to tap into. Rather than focus on making Colchester an educational destination, we should focus on the rich, safe and beautiful environment to retire to.	1/25/2020 9:02 AM

76	Rating is based on desire to retire outside of the state due to climate	1/20/2020 8:43 PM
77	Honestly how can you retire and pay 10K a years for a house you already own. Given our current tax rate a person taking 30 year note on a house will buy the house again in just the taxes they have paid this is insane	1/20/2020 7:47 AM
78	Taxes are way too hire to retire here and not enough social outlets. Senior center is VERY outdated.	1/19/2020 6:52 PM
79	The Senior Center offers a lot. Looking forward to a better facility. The town needs more places to shop...something other than consignment stores...and a better variety of places to eat.	1/19/2020 1:07 PM
80	Taxes in this town/state are not worth living here	1/19/2020 11:27 AM
81	Too expensive. No decent shopping. Have to go to Norwich or Lisbon for that	1/18/2020 9:08 PM
82	It's a beautiful and quiet down for seniors to retire to. The town needs to start staffing the fire department 24 hours a day 7 days a week with at least 2 Firefighter/EMTs and one Firefighter/Paramedic at all times. This will ensure quick responses with advanced life support which will save a lot of lives. The town needs to take the paramedic program seriously and implement it. Staffing the fire station 24/7 will ensure that calls aren't missed. Please realize that it will also increase the amount of revenue brought in from the ambulance transports which will pay for the staffing and new equipment that is needed. The ambulances bring in over \$500,000 a year and will continue to increase if we consistently staff them. The fire chiefs, career staff and volunteers have all asked repeatedly for Firefighter/paramedics and more staffing but have been denied. Please support and encourage them from now on.	1/18/2020 7:08 PM
83	Because of Connecticut taxes	1/18/2020 6:36 PM

85	If we didn't have grandchildren we would move South. This town and state are to blue.	1/18/2020 5:55 PM
86	As I approach retirement age, Colchester and CT in general appear to be what I am looking and where I wish to retire assuming that my health and financial circumstances allow. Should my circumstance change, then I might have to change my opinion for myself. Nonetheless, I believe our town makes for an excellent place to retire.	1/18/2020 10:39 AM
87	High taxes for retirement (or any kid-less really) so on a fixed income such as retirement I'm only rating us as Good.	1/18/2020 10:20 AM
88	The senior center does not receive funding for programs from the town which hinders the ability to have programs of substance which younger senior want and need.	1/18/2020 9:55 AM
89	A much richer cultural and arts environment would be most welcome--culture and arts are all around us, but the drive is usually in the half-hour (one-way), and for those of us who do not particularly like to drive long distances at night, this is an unfortunate lack in our town. If the movie theater on Old Hartford Road could show more films like those selected for showing at the CineStudio at Trinity College in Hartford rather than their focus on the big splashy (and often violent) blockbusters that are usually the main fare there, that could help to some degree. Also it would be nice to have a community gathering space that is more upscale than we currently enjoy for special events by community groups.	1/18/2020 8:01 AM

13	The senior center building is in disrepair. I am waiting for the ceiling to fall down. The room shared with veterans requires buckets to catch rain water, The hand washing water in the bathroom is too cold.	1/28/2020 7:54 PM
14	Senior Services are great....need larger building. I understand it's under planning.	1/28/2020 7:35 PM
15	It is a nice town with good services, wish public works were more responsive to obvious items needing attention. Believe direction may be issue, would like to know that if item were sent in to public works it would be corrected, police department is useless wish they were disbanded and use state police or resident troopers they do a great job as private duty jobs just totally disappointed	1/28/2020 6:53 PM

26	Town Hall employees lack professionalism, especially in how they dress. [REDACTED] is often confusing and rude.	1/25/2020 10:41 AM
27	Library hours too limited,...	1/25/2020 8:59 AM
28	need to extend hours of library	1/24/2020 6:20 AM
29	I have first hand knowledge of the food bank as a volunteer. I have been a food pantry volunteer at various locations for over 20 years and have also been employed as management. Colchester food pantry could and should be run by volunteers. The young women who are social workers in that office pay no attention to the pantry until there is a problem they can't ignore. They have no ability to handle and direct volunteers and they seem to be very ageist. They will say the right things but no action is ever taken when there is a problem. I have no opinion about their work on the teen programs but the food pantry can and should be run by volunteers who care and not by the people in this office. It would also save money to not have their salaries.	1/22/2020 2:39 PM
30	Sewer and water needs to have online bill pay with no service fee	1/22/2020 9:15 AM
31	Recreation programs are great, but the facilities are in very poor condition (tennis courts, recplex fields).	1/20/2020 8:43 PM
32	Honestly things like senior centers are not something that tax payers should be responsible for	1/20/2020 7:47 AM
33	Would like to see more water mains throughout the town so homeowners don't have to rely on wells. It would also be nice to extend the hydrant system so our neighborhoods are better protected.	1/18/2020 7:08 PM
34	It's unbelievable that we can have put so much money into expanding our library and keeping it technically current, then not manage to find \$5000 that hours need to be cut (reason for the last cut in hours). The value of our jewel in this town is an OPEN LIBRARY. Libraries help even out inequalities for people have fewer resources (example: those who don't have internet at home, etc.)	1/18/2020 4:42 PM
35	Recreation should be better funded.	1/18/2020 2:18 PM
36	Senior Center needs a new and improved building and complete facility, Town Hall requires some fundamental physical maintenance to keep it in good repair. Sewer and water require regular maintenance. Public works dept does a good job on the roads and working diligently year in and year out.	1/18/2020 10:39 AM
37	Expensive!	1/18/2020 10:35 AM
38	When I reported an issue with a storm drain, public works had it fixed within a few days, which was great. I would have liked some type of confirmation or communication with them, but it wasn't critical. Cragin Library is great, but I would love to see more funding for them so they can provide more programs to the community, they've taken a beating the last few years in the budget.	1/18/2020 9:43 AM
39	Cragin Library needs to be open until 9:00 at night during the week (M thru Thu) so community groups can use the public meeting rooms for their civic purposes as originally designed and intended. Closing the library before then diminishes the effectiveness of this wonderful community resource and is really a waste of opportunity to use the library to its fullest potential.	1/18/2020 8:01 AM
40	Town hall needs a "face lift" The First Selectman's office is embarrassing with old carpet and old furniture.	1/18/2020 7:04 AM
41	Town Hall great service, inspection-permits, tax collector, assessor- very poor registrar (R) voting experience. No direct experience with Senior Center or Police, however all I have heard is good things compared to neighboring towns.	1/17/2020 9:18 PM

1	would like a swimming pool	2/3/2020 7:30 PM
2	The fire dept is falling apart. Each fire truck needs to replace after 20 years and it doesn't put any funds away to replace them	2/3/2020 7:06 PM
3	We need to make sure the Fire Department and EMS have equipment that can be counted on when needed. Many emergency programs around the country that rely on volunteers are folding and having to go to district-run or for-profit programs. We cannot let that happen.	2/1/2020 6:32 PM
4	We need 24 hour police patrol	2/1/2020 10:38 AM
5	We are not offered sewer or water	2/1/2020 10:25 AM
6	I'd like to see our tax dollars going to programs that help families and also maintain our parks & public spaces properly. Colchester has a lot to offer and can provide even more opportunities if we utilize our open spaces a little better.	2/1/2020 10:03 AM
7	schools are very expensive. hope they can live with the new buildings for some time to come. A huge burden is put on schools to be and do everything for the kids. The parents (working) it seems unfair that the tax payers must take up the slack to raise the kids, it takes a village, but it takes a lot of money.	1/31/2020 11:05 PM
8	Town roads and sidewalks are in terrible condition	1/31/2020 9:36 PM

10	A new playground at the recplex is long overdue. It is unsafe in many areas including not even having enough of a base layer of woodchips.	1/31/2020 5:40 PM
11	Police and Fireservices are completely overemphasized.....sorry.	1/30/2020 10:17 AM
12	I DON'T HAVE ENOUGH KNOWLEDGE TO COMMENT ON MOST AREAS	1/29/2020 8:48 PM
13	It is absolutely critical that we start investing funds in our town fields and get a cooperative agreement for line painting for all season sports> The Rec plex greens are embarrassing and some are dangerous	1/29/2020 10:50 AM
14	I am in favor of increased spreading. I know budgets have been run tight the past few years. I only noted "maintain current spending" where I am less familiar with past spending trends and needs. I support all areas where there is need to run quality services for the community.	1/29/2020 6:57 AM
15	I cannot recommend raising or lowering the budgets of departments until I saw what was planned by each department. I know the fire department needs a new truck so I would be in favor of that. I know there are plans for a new Senior Center and I am in favor of that. I think we need more services for Seniors (see above) so I am in favor of raising that budget!	1/28/2020 9:02 PM
16	At least keep up with the cost of living.	1/28/2020 8:22 PM
17	Remember the new sr. cntr	1/28/2020 6:43 PM
18	Schools consume way too many tax dollars	1/28/2020 3:23 PM
19	Improve water quality, more Property tax breaks for Seniors	1/28/2020 3:20 PM
20	Expenses have to be looked at for the entire community in various ways and for benefit different groups I think also considering the size of each group. We have live within our means as individuals and families need to do. If sources of revenue decrease, or critical expense increase then we have to reassess whether we look to other sources (grants or fundraising), reduce services or expense in order to meet. If town raises taxes, for many this paying these increased costs are not coming out of discretionary income but rather being taken from other necessities or needs being reprioritized.	1/28/2020 3:09 PM

21	quit building schools we do not need and paying teachers for mediocre performance.	1/26/2020 8:15 PM
22	DOE budget is way too high. The Finance Department is out of touch. More families moving in to this town does not help the tax base. It only puts more pressure on the ancillary services for Police and Fire since their budget does not increase. Shame on you!!!	1/26/2020 3:01 PM
23	It's really difficult to answer these questions. Of course I don't WANT to pay more for ANYthing!! But if there is a genuine need, then I will stand behind any necessary budget increases.	1/25/2020 4:04 PM
24	We live on a well and septic so how about giving us a break from taxes used for water and sewer?	1/25/2020 3:55 PM
25	Basically, I'm rather neutral on these things. I always vote YES on budget referenda.	1/25/2020 11:51 AM
26	These questions are unrealistic. Last to first, sewer water is needed and as regulations and needs change, costs are affected, Library services are underutilized; warming/cooling center, weekend availability, modern computerized services, etc are needed. I don't go there because when their limited hours and my schedule have intersected, I feel like I'm walking into the 1980's.	1/25/2020 9:12 AM
27	Do you mean the 2020/21 budget? if so, I can respond. The 2018/19 budget has come and gone. So, I will assume it's the 2020/21 budget.	1/24/2020 6:24 AM
28	Have the police do their jobs not just want to work overtime road jobs and hiding behind the Westchester Fire House tapping into the WIFI for hours on end.	1/23/2020 1:52 PM
29	School enrollment has declined a lot, yet the budgets continue to increase. BOE has failed to explain why. You can't be all things to all people anymore. just don't have the scale. Must decide what you can provide based on the enrollment you have and what the taxpayer can afford.	1/23/2020 5:54 AM
30	I would really need to know what the current spending is for each to personally accurately rate these.	1/22/2020 6:27 PM
31	2018-2019 has passed by so how are these questions relevant??	1/19/2020 6:53 PM
32	I feel that there could be some 'waste' eliminated in town, Public works.....these guys drive by my house a few dozen times a day....more efficiency maybe. Building dept.....this area needs to learn how to talk to the others and vice versa. You leave a paper with building that needs to go to wetlands and they can't even do that. Let's trim some fat!	1/19/2020 12:57 PM
33	Some of the questions are not applicable (I think). If I don't use the water/sewer services, why would I want to increase or maintain funding? I use well water	1/19/2020 11:38 AM
34	Without knowing the individual needs of each of these departments, it's impossible to vote on increase or reduce. I can only imagine that every department would benefit from an increase.	1/18/2020 6:38 PM
35	Please address the fields	1/18/2020 5:33 PM
36	Need more funding for DPW for field maintenance in town for rec fields	1/18/2020 3:51 PM
37	hard to answer question without knowing if tax increases are needed. For example, to maintain all spending would it be a 2% increase, 5% increase??	1/18/2020 11:30 AM
38	Taxes are too high. We already overspend on several aspects and they should be reduced. Other programs need to maintain current funding but nothing at all needs a budget increase.	1/18/2020 11:15 AM
39	We desperately need to replace fire equipment, add police patrols	1/18/2020 11:05 AM
40	Senior Center needs a new and improved building and complete facility. Town Hall requires some fundamental physical maintenance to keep it in good repair; otherwise, I believe Town Hall provides excellent service and its funding should be maintained. I believe the Library deserves additional funding to make it more effective and provide the necessary resources to properly serve all of Colchester's residents Sewer and water require regular maintenance and I am unaware of exceptional needs; however, additional testing may be required due to the occurrence of PFAS in supply groundwater. Public works dept does a good job on the roads and working diligently year in and year out.	1/18/2020 10:48 AM

41	Also salary freeze for managers and above in town. The mean income in town does change much. Most people don't get annual raises so can't pay to watch services decrease but salaries increase.	1/18/2020 10:27 AM
42	I'd like to see us shift towards a full time police department, or at least having a 3rd shift on full time, even if we remain under the resident trooper program. The town could better support our rec programs. While they do a great job, there are a lot of things they simply can't afford to do without raising registration rates dramatically. The library could also use additional funding.	1/18/2020 9:48 AM
43	I feel like Colchester wants to be good but doesn't want to pay for the needed improvements.	1/18/2020 6:43 AM
44	I'm not too familiar with senior services but my concern now is the recent car break ins/thefts in the middle of the night. Its scary. I hope we can get 24/7 police coverage in the near future. I would pay slightr more for that.	1/17/2020 9:43 PM
45	We need more police coverage at night.	1/17/2020 9:25 PM

4	too many taxes already	2/3/2020 6:54 PM
5	Connecticut taxes are already to high, cannot afford the outrageous taxes we already pay	2/2/2020 1:18 PM
6	Taxes are to high for a town this size. As a senior citizen I am being taxed for a school tax that I don't use.	2/1/2020 10:37 AM
7	Quality of living improves with increased services. Increased services are a public good and require greater investment, especially from those who have greater resources. Making things better for those who have needs to meet makes things better for everyone.	2/1/2020 10:27 AM
8	Maybe not sure which services would be affected.	1/31/2020 11:05 PM
9	taxes for seniors, and everyone, are too high. I live in a senior condo facility and pay about \$6000 in property taxes along with the vehicle tax of another \$600 or so for two old cars. The vehicle tax in particular is not acceptable.	1/31/2020 8:32 PM
10	Taxes are too high now	1/31/2020 5:48 PM

16	Absolutely not, the property taxes are too high already.	1/28/2020 3:20 PM
17	Except for one year, the mil rate has been going up every year for quite a few years now. Enough is enough.	1/28/2020 3:10 PM
18	Again, need to look at full services to all groups across all budgets to be equitable to all groups for what is needed. School budget is exorbitant for the reduction of students over the years. This needs more serious review and adjustment.	1/28/2020 3:09 PM
19	Would rather see development come in and add to our tax base.	1/28/2020 2:18 PM

25	Same as above. If there is a need...	1/25/2020 4:04 PM
26	Only to those who use them.	1/25/2020 3:55 PM
27	I only say no to this because reviewing tax records I feel our taxes in NorthWoods are significantly about the average, of other homes or condos in town. We pay separately for snow and rubbish removal and no children in the schools. I do believe we need to keep a strong viable education system in place to attract potential new younger family population. We do support "Education". With good schools we will have a vibrant community.	1/25/2020 2:19 PM
28	Of course, I'd rather not, but if reality dictates increases, then so be it.	1/25/2020 11:51 AM
29	As long as the increase is going toward education and public safety.	1/25/2020 10:37 AM
30	Since I am a senior I have a fixed income. I live in a private association, yet my taxes do not reflect that the town does not provide snow removal or road maintenance. I would like my taxes adjusted to reflect that. I don't mind paying taxes for schools and recreation because that improves the whole community. But I do care that there is no discount in my taxes to reflect that the town does not provide road services in my community. Fair is fair.	1/25/2020 9:45 AM
31	The culture at Town Hall needs to change from, "its not in the budget" to "this is how we can get this done". There is too much, "no, you can't do that".	1/25/2020 9:12 AM
32	Living with a fixed income is difficult enough without raising taxes.	1/25/2020 8:49 AM
33	It would depend on which 'town services' you are referring to.	1/24/2020 4:58 PM
34	If the cost per student had modest increases, the overall costs should be going down. I recognize that there are fixed costs, but a 30% decrease in students should more than offset increases in these fixed costs as well as the increased costs to maintain town services.	1/23/2020 5:54 AM
35	Costs go up but wages never do. Get more businesses in town to help. Can't have it both ways	1/22/2020 6:57 PM
36	My family has had to cut expenses in the current economy. The city should also work on being as efficient as possible.	1/22/2020 2:42 PM
37	find unnecessary costs to cut	1/22/2020 9:17 AM
38	First as we all know, nobody likes to pay more for anything especially taxes, however I feel small increases are reasonable, and I'm willing to contribute my share to maintain the services that are provided now.	1/22/2020 8:30 AM
39	Taxes, taxes, taxes. Other towns don't raise theirs. Has there ever been a year when we have never got taxed.	1/21/2020 4:21 AM
40	What choice do we have everything increases in cost it's the way of the world.	1/19/2020 11:33 PM
41	Make the case	1/19/2020 6:53 PM
42	Residents in Northwoods already pay huge taxes for the services they actually need.	1/19/2020 1:09 PM
43	With the gas line coming in let's use new tax money....let's stop bringing in Dollar Stores and get some decent restaurants that aren't pizza or asian fusion so we don't have to leave town. Industry is great but be careful what you wish for!	1/19/2020 12:57 PM
44	It would be nice to know what "Town services" includes? Other than snow removal and the transfer station, I would like to be reminded of the other services this town is performing.	1/19/2020 11:38 AM
45	Depends on how would be spent.	1/19/2020 6:20 AM
46	We pay enough of taxes!	1/18/2020 9:11 PM
47	I will happily pay more in taxes to staff the fire and police departments 24/7.	1/18/2020 7:14 PM

50	We pay a lot in taxes compared to neighboring towns.	1/18/2020 4:57 PM

53	Taxes are already too high. Find cuts where you can and leave other levels where they are. No increase.	1/18/2020 11:15 AM
54	I think we need to spend wisely. Adding at the top doesn't help what happens in classrooms. Where is the support especially at middle and high school levels. We cut in the wrong places. ask citizens, teachers their thoughts. I bet they would have amazing suggestions if asked.	1/18/2020 11:05 AM
55	I am willing to pay for a new Truck for the Fire Department . I see no need for an increase in the Police department , especially a third shift .	1/18/2020 10:29 AM
56	I am worried that if there is a chance I could price me out of town with taxes.	1/18/2020 9:59 AM
57	I'd be willing to pay a small amount more, but along with that, I'd like to see a big pull to get more businesses in that are going to offset some of the residential taxes.	1/18/2020 9:48 AM
58	I was saddened to read the recent edition of the Parks & Rec letter saying they will have to cut down due to the raise in minimum wage. I hope they don't have to cut out a lot of offerings.	1/17/2020 9:43 PM

1	we don't increase, why should you	2/3/2020 7:06 PM
2	Eliminate many of the overpriced socialist programs we have	2/2/2020 1:18 PM
3	I'm fairly certain that putting a budget together for this town is like doing one for my home and children. Not every department needs top dollar items. Budgets require shopping around and eliminating waste or going with frivolous items. We need to find those items in the budget that can be eliminated or reduced. The quality of education cannot be reduced. The amount we spend certain things such as overtime and equipment and Christmas lights for example can be.	2/2/2020 7:13 AM
4	I believe it is important to work within the budgeted amount. With this logic of always needing to increase, it will become impossible to afford the property taxes to live in Colchester.	2/1/2020 5:41 PM
5	Again it depends which services? Sweeping roads before a snowstorm? Painting yellow lines on a rural road? Park maintenance? Town hall hours?	1/31/2020 11:05 PM
6	I CAN'T AFFORD IT NOW☹	1/31/2020 5:13 PM
7	We must invest in our community where it makes sense to do so. It is patently true that cuts in education and other services are very often not true savings long term and in fact can cost us dearly. We must assure we are spending wisely. Our town is worth investing in.	1/31/2020 4:23 PM
8	Can hardly afford the taxes now	1/30/2020 5:02 PM
9	EACH SERVICE MUST BE REVIEWED SEPARATELY.	1/29/2020 8:48 PM
10	Not that important to me as we will be moving out of Colchester after my husband retires in a few years.	1/29/2020 8:43 AM
11	I don't like this question. It is written to press for reduction and there should be one more option that reads - maintain current services AND add services. I lean towards this option, only note is to maintain current services that are working for the community and add additional services that have been left out in past years and need to be addressed.	1/29/2020 6:57 AM
12	Again, it depends on what is needed.	1/28/2020 9:02 PM
13	Education is so important. I do not favor reducing spending for the education budget. We appreciate our town services. Our road is treated promptly and often during storms. Budget what's necessary for us to be safe and proud of Colchester.	1/28/2020 4:15 PM
14	Any increase is unacceptable. Our newest school is a monstrosity that caters to the whims of the kids. Let's get them ready for the "real world".	1/28/2020 4:04 PM
15	I would like to see the tax base and distribution of funds and expenditures revised.	1/28/2020 3:20 PM
16	After working in a corporate setting for almost 30 years, we had annual reoccurring charges for most of them: Do more with less, process and system improvement initiatives where employees in every department worked in groups to identify and deliver improvements and cost savings to the company. Maybe this work method/ approach needs to be considered/ implemented in Colchester bringing various departments, boards, townspeople together to creatively consider how to manage/improve services, maintain/reduce expenses, pursue other sources of revenue, etc.	1/28/2020 3:09 PM
17	Add to tax base by growth in town.	1/28/2020 2:18 PM

21	Decrease in DOE and an increase for Police and Fire.	1/26/2020 3:01 PM
22	We can't afford higher taxes. Why do you suppose the population of the state is DECREASING?	1/25/2020 3:55 PM
23	ditto above	1/25/2020 11:51 AM
24	I would be great to have someone critically look at each department and assess what their needs are and how they compare to other area towns. I'd like to see the money was spent differently, rather than always trying to maintain the status quo.	1/25/2020 10:03 AM
25	This question could be viewed as misleading. If the changes in property values and the grand list are commensurate with changes to the costs of all services, my answer would be 0% increase. That said, as the lion's share of municipal liability is the cost of public education, enrollment changes will have a proportionally more significant impact on the cost of services than other non-school related expenses.	1/25/2020 9:47 AM
26	There is no straight answer, it depends on many factors.	1/25/2020 9:12 AM
27	Perhaps make Colchester more attractive to businesses that can share the tax burden. Perception I've noticed is it's not business friendly. Also, Can Colchester fill the empty, recently built, Spaces and keep those businesses thriving?	1/25/2020 9:06 AM
28	Enough with the costs in this town, wasted money spent on foolish things	1/24/2020 8:18 PM
29	No. Figure out a way to maintain costs. We have to do it i our own homes. You should be doing it at the town level. Competitive bids etc	1/24/2020 4:31 PM
30	If school enrollment was stable, I could accept the assumption made in this question. With big drops in enrollment, we should be able to offset increases in non school costs with small decreases in a budget that is 75% of the total	1/23/2020 5:54 AM
31	Yes, >2% is reasonable. If my math is correct that would equate to about \$180.00 on my \$9,000 real estate tax bill. I think my household could handle an extra \$15.00 per month.	1/22/2020 8:30 AM
32	I don't get an increase in my retirement.	1/21/2020 4:21 AM
33	The towns operating raise is suppose to come from property value increases this is why taxes are tied to property value. Unfortunately Connecticut is so mismanaged our property values are decreasing while the rest of the country is increasing. This means out towns and state need to decrease service just a s you would if you pay was cut at you job. Live within your budget suck it up butter cup	1/20/2020 7:56 AM
34	Is this a question and an effort to prepare us for paying more?	1/19/2020 11:33 PM

36	again, let's trim up some fat.	1/19/2020 12:57 PM

39	No increase	1/18/2020 9:11 PM
40	Add staffing to the fire and police departments. Quicker responses with more manpower from the fire department will saves lives and property. Saving property allows families to stay in their homes and allows businesses to stay open to they continue paying taxes to our town. Increasing the staffing and adding fire hydrants will also improve our insurance ratings called ISO. This will save homeowners money on their insurance.	1/18/2020 7:14 PM
41	We need growth	1/18/2020 5:33 PM

stay the same. Less people, no new roads, no new sub divisions, less to spend money on.

Because Federal and State funding is increasingly stingy and hard to come by, Town residents must step up and properly fund the Town budget. Therefore, I believe that a 2+% increase may be absolutely necessary.

If enrollment in the schools are decreasing and the senior population is increasing a shift is needed on where we allocate monies in town.

10	increase fire, emergency medical services and police. Have parents work with their kids as volunteers to handle conservation and rec field improvements.	1/28/2020 4:04 PM
11	Many of these things can be funded through other sources - grants, federal grants, usage fees, volunteerism. It depends what is basic and essential for the town, versus improvements as nice to have which needs very careful assessment and consideration before increasing costs to taxpayers. (NOTE related to #13. Need to balance rural character of open space and farm land preservation with ensuring attraction of other businesses that may also fit same (e.g canoe/kayak rental, other types of recreational businesses that would attract out of town visitors, more restaurants that would be favorable to healthy lifestyle visitors e.g. farm to table restaurants/events, Soup/salad restaurant, organic restaurant/store, outdoor recreation/sports store (e.g. REI outlet/smaller store version) near recreational sites (e.g near Airline Trail, near Airline Trail Spur, rte 149, etc)	1/28/2020 3:09 PM

15	Too much open space is given up to residential developments. Current residents concerns should be taken into account when a new development is proposed.	1/25/2020 8:03 PM
16	I only say "maybe" to Police and Fire issues because I do not know enough about those.	1/25/2020 11:51 AM
17	Park and Recreation needs to increase what the charge private sports organizations to use the fields. Taxpayers should NOT be subsidizing all these private sports leagues.	1/25/2020 10:48 AM
18	Increases in Police Services and Infrastructure.....to me means a 24-7 Colchester Police Force and likely a stand alone police station. I might support that. However, Town-Police Union-Police Commission relations have been a contentious and political issue in the past. Just looking at the sorted history of the Police Commission with the town's kangaroo court about 10 years ago regarding a former (and now present) commission member speaks to this. Trust for me was greatly eroded. While I believe the Recreation Department does a good job with programs for kids and adults, I believe they have done a less than satisfactory job with Town sponsored Events. Year's ago, The Colchester Arts Commission and Arts Guild began the Summer Concerts on the Green on Sunday nights which were well attended. well run and self-funded. Stewardship of these concerts was passed on to the Colchester Recreation Department, when the Arts Commission disbanded. This past year that tradition of having a weekly concert series was effectively eliminated, replaced with a mishmash of events on	1/25/2020 9:47 AM

scattered dates like a corn hole tournament. In addition, 57 Fest, while certainly something requiring revenue-funding to maintain, was a fiscal failure this year (with actual revenue generated by a car raffle falling woefully short). Due to the EEE situation last fall, an abbreviated event went off without fireworks which were then part of Trick-or-Trunk. Having fireworks at any event will be a welcome draw and so certainly they were welcome at Trick-or Trunk. But for the Director of Parks and Recreation to interpret that feedback as a reason to have fireworks at Trick-or Trunk, rather than Colchester's Annual 57 Fest, to me says that 57 Fest is soon to meet the fate of Colchester's Annual Summer Concerts on the Green.

Open space is critical to maintaining Colchester's character, I hope the town will become more active in that regard.

Start changing the culture to getting more done with less.

Recreation fields are in dire need of improvements, as are the fields at Bacon Academy!

Have the police do their jobs not just want to work overtime road jobs and hiding behind the Westchester Fire House tapping into the WIFI for hours on end.

With the recent school project that includes new recreation fields. I think it's important that the town follows through with their "promise" to properly maintain them. It's important for the safety of the kids who will be playing on them. Let's be PROUD of what we bought!

land conservation where it would save the town money we can't tax people enough to educate there children so stopping residential development is always beneficial. Any public property should always be open to hunting and fishing where applicable Recreational field improvements should be paid for by those using the fields it is called a users fee. I shoot and pay for my ranges why can't people who play softball and soccer do the same thing. If not you need to start giving the local gun clubs the same amount of money to maintain there facilities.

In addition, I would support the Town spending for sidewalk improvements and maintenance. For example, a large portion of the sidewalks on Norwich Ave in such poor condition that they are difficult to use with a stroller, kids bike, or scooter.

If you charge per player per session for upgrades they should use the money to have the town maintain as dragging fields such as baseball and softball fields to prevent injuries.

So the police don't come to this area unless there's an accident. It's more the state troopers so I'm not sure adding to their budget gets us anywhere. Fire - we need new equipment but again...Isn't that the gas line money?? And open space - the building is ridiculous...there's no place for the wildlife to go and when they do come out people want to shoot them. This was there home so where do folks expect them to go???

Police have sufficient staffing at 10 to do 24-7 coverage at two person minimums. They need their own autonomy by having their own police chief. That could then begin to change the present culture to be more productive and professional.

Our fields are terrible and a disgrace to the town. We should be embarrassed our children have to play on these fields they are so bad. We also need to plan for a turf field as soon as possible.

Spending more on the fire and police is long overdue. We save millions by having volunteers. Please support them by giving them the staffing they say they need. They already dedicate a huge portion of their lives to helping community members. Now we need to support them.

Please continue to stand firm against the pressure to expand our police services and infrastructure to a full-time staff and standalone building. Reporting of calls to the police is inflated (not necessarily reflective of crime) and there needs to be a hard look at whether crime has truly increased (people yelling that it has isn't factual) that can't be handled by current police staffing, support from state police at night, and adjacent town support.

And field at Bacon Academy!

let parents bear some of the costs to maintain fields

More conservation land that is open to the public but does not require ongoing maintenance expenses like the rec complex.

35	Our school fields are embarrassing compared to any other school we play.	1/18/2020 11:05 AM
36	I know the subject of a Town pool as been discussed . I am totally against that idea . The financial burden of maintaining , life guard, and insurance is not worth my taxes going up . And many of the retired community can't afford that increase .	1/18/2020 10:29 AM
37	Town safety is important. Colchester is an easy access town for people from surrounding towns to come in and commit crimes. Increase in police presence should always be a priority. Rec fields need to be improved and maintained. Sports programs is essential for healthy mental and physical development of children. Our fields have been noticed by outsiders as run down.	1/18/2020 10:09 AM
38	Yes to all. I'm amazed how much land Hebron is able to conserve every year, I think we can do better as a community, even if its not outright purchases, but tax offsets for farmers, etc. I'd like to see our Paramedic program up and running as well as more police presence. Our fields need a lot of work at the Old Colchester Rd complex, and I'd love to see a community pool there at some point.	1/18/2020 9:48 AM
39	Police...I don't know, infrastructure yes....the roads are in bad shape	1/18/2020 7:45 AM
40	All of these increased expenditures could drive business into our town. We want people to come to Colchester	1/17/2020 6:42 PM

13	Reminders: email, phone	2/1/2020 12:50 PM
14	More general, public civic education and engagement opportunities for adults (not necessarily or in addition to partisan efforts). Too many people forget or don't understand how government works, especially locally, how it affects their daily lives, and how they can and should participate. People may be embarrassed to admit this or are anxious about where to start, and we all would benefit from inclusive, judgement-free, low barrier entry points. Sometimes people just need to feel invited into the process.	2/1/2020 10:42 AM

19	Get more information out there as to where the money is going. More town meeting times so that people can attend.	2/1/2020 10:05 AM
20	Educate. Posters everywhere. We have SO MANY residents that moved from other systems of town government that have no idea that a board doesn't make the financial decisions for the town! When someone buys a house in town, educate them. Spend time educating students other than in one class about civics-a population that recognizes what it actually means to vote is more likely to do so when they graduate. So Many people wait until they have kids in the schools and then don't vote after their kids are out of the schools. When you send out tax bills, educate!	2/1/2020 10:04 AM

23	Put together a volunteer network to give people rides to the polls. Find a way to advertise and help home bound to use absentee ballots. But that would probably not be what the BOE would want as those are the people who want less spending on school.	2/1/2020 5:14 AM
24	Set an example for the kids. The kids need to know that voting is not a privilege, it's their responsibility to participate in this democracy. List the pros and cons of passing or rejecting the budget or the questions on the ballots. Advertise absentee ballots. It's scary that people can't bother to vote.	1/31/2020 11:38 PM

71	Listen to the residents, be more progressive and be less political.	1/26/2020 3:03 PM
72	Include large budget impacts as a separate yes/no vote with potential overall budget impact. An example would be separate vote for upgrade in Paramedic program or increase in Police Coverage, if we can't keep our town safe and secure, we are failing our next generation. Let the voters choose and not members of the board of finance. Sometimes personal agendas interfere with the best interests of the town.	1/26/2020 1:14 PM

79	I really don't have the answer but it is really sad when people don't vote and complain. The last special election I was #131 to vote and with 17,000 registered voters you would think that the number would have been much higher by 2 pm. I did not see the final number of voters that came out but would live to have 100% I know this is unrealistic but people need to participate. Maybe more info/articles in bold in Riverast or posters around time. Tell people they can have a free coffee if they vote lol	1/25/2020 2:30 PM

83	Nothing, the town can't MAKE people vote. I don't think there is any reason that people don't vote other than lack of interest or ignorance.	1/25/2020 10:41 AM
84	I think people don't participate because they don't feel that anything changes. Start thinking outside the box and look at restructuring how we spend so that everyone feels that have a vested interest.	1/25/2020 10:05 AM
85	That's a tough one. People seem to increasingly take things for granted. I guess lobby the school system to teach civics K-12.	1/25/2020 9:50 AM

18	There is no one way to best communicate with all of Colchester townspeople considering differences in age groups, accessibility to various communication vehicles/social media. Also, email lists vary in town, many do not know town email lists exist for different purposes. Maybe do an EMAIL drive to sign people up for various ones. Some people don't have email, may not drive or get out much, may be very busy. Consider a full post card mailing to individual mail boxes for key critical information related to important voting or other areas needing citizen involvement or improvement (heard many people do not register their dogs....that may be another thing to put on a postcard doing out....could have multiple bulleted-messages. If you want to reach ALL registered voters, than a mailing/post card mailing would be the only true best communication approach. Also, list left off signage.	1/28/2020 3:18 PM

12	People don't come out and vote. You need to come up with a way to make people vote. 43	Colchester Senior Center is long overdue and needs to be built not only to accommodate our seniors but also other segments of the community. There needs to be more free community meeting space for the many non profit organizations and volunteer groups in town. Those locations need to be available, during the day in the evening (some meetings to go 9pm) and Saturdays. Library only has Monday nights until 8pm for community groups in evening, due to budget cuts shortening their hours years ago (close at 5pm on Tues. Wed-movie night, Thurs - library public programming). Any new spaces need built in projection system like library for meetings as well as more public programming. Would be nice to have a town inventory of public spaces available in town buildings, schools, with services/equipment/, who to contact to use, requirements (fee, insurance, etc) to make this easier for groups needing space. Youth Center move from existing building to other town space OR consider to further economize use school buildings after hours since citizens are already paying for their use and upkeep, getting more use after hours to benefit Colchester students make perfect sense: why is a separate building only to be used after school on weekdays for the same students what we are doing or do in the future. The existing Youth Center on Norwich Avenue could be sold to return it to the tax roles and encourage		1/28/2020 4:46 PM

restaurant (over commercial/retail) to keep more people enjoying the center of town and unique character. Some access in the evening for senior programs. More educational/stimulating learning for Seniors either through high school resources OR setting up Colchester as a Senior Learning satellite for one of area universities or colleges. In many retirement articles people say want to move to college town for access to continuing higher educational, arts, and sports. Why not create a hub like this in Colchester for growing Colchester Sr population as well as surrounding towns. Jeff Burt mentioned something like this was done in Fairfield County (Westport) "Lifelong Learners?" Lifetime learning could be something Colchester becomes known for if develop...another reason to move to Colchester along with open space/preservation of farmlands, excellent schools, many sources of recreation - nature and organized, lifelong learning (what else is being considering by current town administration for citizen's input?). I would like the town to develop/share VISION for town of Colchester to share for feedback/input which would be one that all citizens could identify with. The Motto of "where tradition meets future" is one thing, developing a common vision of various components ensuring representation/ applicability to all age groups that can be used as citizens'/town guidepost for planning, development, priority setting and budgeting setting is critical for meaningful future. Transfer stations hours/days have been cut with budget over the years. This creates hardship for many. There was once talk of restoring some hours or sharing days with Hebron on off colchester days since near by as alternative. I've noticed where Windshield stickers were once required to use the transfer station for only town residents, most cars/trucks going in do not have town sticker. Also, often have to request receipt where sign says not to continue without getting receipt. Portland had an excellent transfer station in the past., They had a drive-on scale, where if have bulky weight, drive on scale, get weight, and when empty, come back and weigh again to pay for what dropped off. Maybe consider this for more equitable and fair payment of bulky waste fees. The transfer station allows residents : BRUSH / TREE TRUNK / LIMBS / LEAVES / CHRISTMAS TREES Residential disposal only - no commercial disposal Wood Waste - \$5 per cu.yd Unbagged leaves only Leaves - No Charge. The material being dropped off includes a tremendous amount of invasive plant material/seeds which is ground up and then used as free mulch for townspeople to take,(and I've noticed commercial landscapers also) to take and it is used abundantly on town properties. The invasives include: Japanese Knotweed, Multiflora Rose, Oriental Bittersweet, and others, which were evidenced at Town Hall medians after transfer station mulch was spread on Spring Clean up Day months later, hundreds of seedlings came up. Could there be a designated section of Transfer station for invasive plant debris to be placed and maybe burned by the town periodically to help homeowners and our environment not to further spread invasive plants on town, private properties with possibility of further spreading to open spaces. This could be an educational initiative to identify invasives on home properties and how to safely remove (mechanical vs. chemical) and what may be done with debris.

I would like to see the funding increased for our library.

I would love to see Colchester have a modern senior center.

Money is well spent when provided for safety and social services for those folks who require them.

106	While I answered that the town has not spent enough \$ to maintain our fields, I am unwilling to see an increase in taxes to do anything other than bring the fields up (and maintain) to consistent playability. Some of the youth sports organizations (for example, Colchester Baseball) are quite flush with \$. Let the groups kick in more. Groups that cause the most wear to fields should also have to pay more to assist with maintenance and/or create more fields (Football and lacrosse share, but even individually, these sports wear fields to a high degree.)	1/18/2020 4:54 PM

114	I see that we are adding positions but losing positions where it matters, in classrooms. Why do we always add full positions instead of adding part time help which saves the insurance cost. I see Human Relations at Town Hall added, Financial officer added, another facilities person? Where will this money come from? Huge classes, lack of student support. . .	1/18/2020 11:12 AM
115	While I think the RecPlex is a wonderful facility, I believe that it is in need to some improved drainage in certain areas of the fields and the walking/running path the goes around the facility. I think allowing excessive overland flow that scours sand and soil and causes heavy erosion or wet spots detracts from the usefulness and enjoyment of the complex. Therefore, I argue that some investment be made to correct these conditions.	1/18/2020 10:59 AM

131	The questions seem to be inappropriate. For instance there is a specific question about paramedic program and if it had a significant impact to the mill rate. That is unfairly worded. There were not questions specific to education budget programs and how they impact mill rate	1/17/2020 9:35 PM

18	I think services are good. I think people need to realize that if you want to live in a small town, you can't expect big town services without paying for it. I look at the big houses being built and I ask myself how will they relate to me as a senior? One thing that really bothers me is the cars speeding down these small streets. Elm Street got speed bumps, can we get some cars to slow down?	1/31/2020 11:42 PM

This is often source of comments on Colchester social media sites where service down often (Comcast/Frontier), or in my case My Frontier service for phone and internet is over \$80.00 with only 1MB of service where advertise in our area for 6MB. 123	Marlborough Parks and rec. have connected with Hemlocks for aquacise classes can this become available for Colchester residents?	1/18/2020 10:04 AM
124	Please invest in public safety. Take a look at Hebron, they take care of their first responders and equipment despite having a much smaller tax base. The fact that we're borrowing fire trucks from other towns should be a big indicator that we haven't properly funded them. Colchester used to be the shining star for other agencies, now our aging fleet and lack of investment in our volunteers makes us a joke.	1/18/2020 9:55 AM
125	A paramedic program would greatly help the town	1/18/2020 9:26 AM
126	Safer main roads at night. We need to make sure town considers installing LED lights on main roads. Let's not wait until we get more accidents. There is no excuse to have route 16 as dark as it is now. It's so hard to drive on 16 at night. It's 2020 you know.	1/18/2020 9:03 AM
127	Better sidewalks for walk ability downtown, and more investment in economic development	1/18/2020 8:58 AM
128	Taxes need to stay at the current rate in lieu of all the CT state tax increases on its residents. Our school budget should also not increase with the decline in student population. However I would like to see a refurbished or new senior center for our aging population!	1/18/2020 8:48 AM
129	Cleaning your plots at Linwood cemetery	1/18/2020 8:29 AM
130	Fire apparatus might need replacing, but effort should be made to properly staff the firehouses! There is a severe shortage of consistent competent emergency responses.	1/18/2020 8:20 AM

132	See other comments I made in this survey: all apply to this question.	1/18/2020 8:06 AM
133	Instead of focusing on a "senior center", we should be thinking of all ages and focus on a structure that would serve all ages	1/18/2020 7:07 AM
134	Provides way too much already. I should not be paying for some of the services that are 100% the responsibility of parents.	1/17/2020 11:54 PM
135	I'm not sure what the zoning allows as of now but I do wish Colchester promoted a denser and more walkable town center and surrounding areas. The reality is no one wants a tax increase but still wants more services and the same rural environment. Well I believe an avenue to consider is a denser town center and surrounding areas so we may have an increase in consumers and small business that will lead to more tax revenue. If people live near their needs and source of income, having a car becomes an option not a necessity. That means money that would be spent on the vehicle, gas, insurance, upkeep, would go to other things in our local economy.	1/17/2020 10:25 PM
136	Without monies to support no reason to ask	1/17/2020 10:24 PM
137	Garbage and how about the dump be open more than two days a week. When there is a little bit of snow or heavy rain, they don't open. What is up with that? I showed up there once at 3pm and they locked the gate on me and wouldn't let me in. It was 3PM. That is very frustrating especially when I was there early just had to wait my turn.	1/17/2020 10:14 PM

A new Senior Center. What we have is too small and doesn't provide enough parking. People from other towns are joining our center which is proof that we have wonderful services. We also need more help to run this organization since it has grown so big. Our bus service for medical and social living is wonderful. And that goes for the staff as well. It is the reason I moved to Colchester and was the first place I stopped in at to see what it had to offer.
